

OUR SERVICES

MindWorks offers a full range of rehabilitation support services for individuals living with the effects of brain injury. Our services include vocational programs and training not offered by others in this field. As a community based provider we ensure targeted services based on individual need. MindWorks believes a coordinated, multi-disciplinary approach is the most effective means of helping the brain-injured person progress and recover.

- Rehabilitation Assistants
- Community Support Staff
- School Support Staff
- Recreational Programming
- Vocational Planning, Programming and Coaching

WHY CHOOSE MINDWORKS?

Established in 1989, MindWorks is a leader in providing community-based, brain injury rehabilitation support services and programs. Our programs and services are tailored to client needs. Professional development and education are hallmarks of our services. We believe in strong administrative systems and controls, with timely reports and efficient communication.

- All our services are carried out to the highest standards
- Highly skilled and trained staff work in partnership with the rehabilitation team
- Flexibility to respond to client needs at a moments notice
- Staff available throughout southeastern Ontario
- Quality service and commitment to our clients
- Stability of dealing with an established organization

RELATIONSHIPS MATTER

MindWorks has invested significant time and effort in cultivating strong, professional relationships with community agencies, local brain injury associations, employers and other stakeholders. Positive relationships are a key success factor in meeting clients' recovery goals. We have a strong reputation for being team players. We take direction well and continually work towards maintaining open dialogue within a rehabilitation team.

FLEXIBILITY TO MEET YOUR NEEDS

With staff available from Toronto to Kingston, MindWorks has the flexibility to meet your needs in your location. We respond to requests quickly and efficiently given our base of operations and number of staff. We provide services where they are required according to individual client needs – in hospitals, homes, schools, workplaces and the community.

OUR STAFF

MindWorks is committed to hiring top-quality rehabilitation professionals to provide brain injury services. All our staff have completed a post-secondary program in rehabilitation service provision and engage in continuous learning and professional development. Our staff is the most highly trained rehabilitation support personnel in the field. In addition, we have an office that is staffed Monday to Friday during business hours to meet your needs.

Quality of Life

Community

OUR MISSION

MindWorks assists individuals living with the effects of brain injury achieve a better quality of life. MindWorks firmly believes that every individual has the right to self-determination and deserves to be treated with dignity and respect. Every person with a brain injury deserves quality support to help him or her achieve and maintain the greatest possible degree of involvement with society.

Dignity

OUR STRENGTH IS OUR REPUTATION

MindWorks is the premier choice for brain injury rehabilitation support services in southeastern Ontario. Time after time, surveys and feedback from clients, family and case managers indicate a high level of satisfaction with our services.

"Your staff is able to work with my TBI clients at the more intensive level they require, without the high costs. The client improves and gets back to their activities more quickly. Your staff help me to get the job done!"
- Occupational Therapist

"Your staff are always professional while providing high-quality services." - Case Manager

"Your Rehabilitation Assistant provided exactly the right level of support to enable my client to learn the skills he needed. They know when to step in and when to step back. My client would not be working today without the support from MindWorks."
- Occupational Therapist

"We have been impressed by the Rehabilitation Assistants you have provided." - Family Member

"Your vocational programming is great! It was exactly what our client needed." - Case Manager
